

Knik Little League

Minor Baseball Division Rules

Rule 1 - Games will be 5 innings. Games will start at 6:30 PM and end at 9:00 PM. No new inning may start after 8:45 PM.

Rule 2 - Stealing bases will be allowed beginning opening day.

Rule 3 - Innings will be over after 5 runs have scored or three outs are made. On a play that the 5th run of an inning is scored, the play is not over until the ball is dead. (Example: If the bases are loaded and 4 runs have scored and the batter hits a home run, then that team scores 8 runs, not 5).

Rule 4 - Arguing with umpires is strictly forbidden. Managers/coaches will be removed from the game and league for any verbal or physical abuse of a player or umpire.

Rule 5 - Pitchers must be in contact with the pitcher's plate while in their starting pitch position. Pitchers may not begin their pitch at any point in front of the pitcher's plate.

Rule 6 - The defensive team may have manager/coaches standing on the field at least fifteen feet from the foul territory line to help the team on defense.

Rule 7 - All players on the roster will bat in rotation. Three outs end the inning. Nine players will take the field.

Rule 8 - Have fun and tuck the shirt in!
