Scholarship Application

Approximately half of Knik’s income is derived from player registration fees. While no player is turned away because of financial difficulties, the league needs to collect registration fees for the program to continue. The Knik Board of Directors has set the fair share per player registration fee for divisions of play as follows:

- \$125 Tee Ball
- \$150 Coach Pitch
- \$200 Minors Baseball and Softball
- \$225 Majors Baseball and Softball
- \$250 Intermediate Baseball, Juniors/Seniors Baseball and Softball

If a parent can demonstrate that they are financially unable to pay the registration fee, partial or full fee waivers are available. To apply for a fee waiver, please complete this application and submit it, along with a volunteer application and player registration, to the Knik player agents at kniklittleleague@gmail.com or mail it to the address above.

Submitted information will be kept strictly confidential
